### Terms And Conditions (Disclaimer):-

**1 -** Our motive is not to earn money, our motive is to spread awareness in the market, only earning has never been our aim! Our aim is to work by building a long term relationship with the customer, so that we can be our customer's first choice!!

**2 -** We are already making you aware that without stop loss it should not work as well. The stock market has more than 90% risk of losing up to capital, but we always try our best to cover the risk of the customer's capital. However, if you have to face any kind of loss in the market, then star vision or star vision related people will not be responsible for that 0% also, star vision does not take any responsibility of any kind of loss and profit! The stock market is a business, and there is a risk of loss in the business, so if you face any kind of loss, then we can try to recover it, **but we do not give any kind of guarantee that there will be profit, or If what has been lost, then they will get it covered, we do not make any such commitment, nor do we give any kind of guarantee!!**

**3 - We do not give you Demat account handling regarding service, so do not share your Demat account ID password with anyone!**

**4 -** You should pay the subscription charges in the company itself, if you do any kind of transaction personally with any employee due to your personal bond, then Star Vision will not be responsible for that. And if any such thing comes in front of us, then the company will take legal action on the employee and will fire the employee without salary as per the firm's policy.

**5 -** we are not provide any kind of paid services in particular product service , we have only on one ( paid subscription) product

**6 -** We do not provide any profit sharing services, any mf scem , any dabba trading and all other guarantee services.

**7 - if you want insurance or loan and credit card services during the subscription so please update your Client Relation executive And benefits**

**8 -** we provide feedback of already researched levels (like angel broking tips and guidance , choice broking and all other sources. of tips and recommendations. We provide feedback and help to choose good and accurate levels for intraday and delivery basis. We are not taking any kind fees regarding stock market services. we are also registered in NISM AND NSE AND ALSO SEBI REGISTERED BEHALF OR SUB BROKER.
